

British Algorithmic Olympiad

Round 1 Results 2022

5th January 2023

Distribution

The 2022 Round 1 was challenging, which was reflected in the results. Around the top 70% of students received an award. These results do not account for students that scored 0.

Grade Boundaries

Some students are awarded one of three awards: bronze, silver, or gold. The grade boundaries and proportions of candidates achieving the awards may change each year. The competition was scored out of 100.

Gold	Silver	Bronze
51	22	10
